Dockingstation SATA HDD > USB 3.0

Description

This HDD dockingstation enables an external connection of a 2.5 or 3.5 SATA HDD via USB and offers stable hold for your hard disk. This solution does not require any external enclosure since you can just plug in the HDD only into the dockingstation. The USB 3.0 standard enables you to transfer the content of your HDD with a data transfer rate of up to 5 Gb/s (Super Speed). In case your computer is not equipped with a USB 3.0 interface you can also connect the dockingstation via USB 2.0 or USB 1.1 port. However in this connection you will not achieve a transfer rate of up to 5 Gb/s.

Ref.	61854
EAN	4043619618545
Country of origin	Taiwan
Customs tariff number	84733080
